The example presents a potential tax scenario based on typical assumptions that may not apply to your business. This page and example are not tax advice. The indicated tax treatment applies only to transactions deemed to reflect a purchase of the equipment or a capitalized lease purchase transaction. Please consult your tax advisor to determine the tax ramifications of acquiring equipment for your business.

## DEPRECIATE EQUIPMENT FASTER. ELIMINATE BULK CHLORINE IMMEDIATELY.

The new tax law on capital equipment depreciation is simple, and your opportunity to eliminate bulk chlorine and save money is straightforward.

- Section 179 of the tax code allows you to fully depreciate the purchase of capital equipment – up to \$1 million – in the year you buy it.
- Buying a NEXGEN Onsite Chlorine Generator eliminates your monthly bulk chlorine expense.

On-site chlorine generation has always been safer while making your pool water smoother and softer. Now it can give you a big financial boost.

Let's talk about your numbers and add up your savings.
